

Morgan Prayer Conference Call Prayers

Friday, July 19, 2019

“Now, Lord, look on their threats, and grant to Your servants that with all boldness they may speak Your word, by stretching out Your hand to heal the Morgan children, and that signs and wonders may be done through the name of Your holy Servant Jesus.”

Acts 4:29-30

“Father, you allowed us to come before you with boldness and you would respond. We ask, for the glory of your name and your cause, that you touch everyone in the Morgan family to heal them. Your servants, Howard and Janet, are worthy of your mercy and grace. We, Ruby and Matthew, rebuke any and all spirits of infirmity afflicting any in this beloved family. We thank You, Father, and praise You for hearing our plea. In Jesus’ name.”

Matthew & Ruby Murray

“Father – we bless You and praise You. We thank you for eternal life through the blood of Jesus and Your life in us through the Holy Spirit. We thank You for this gathering of saints to lift up the Morgan family to You in prayer. We thank You for Howard and Janet. We thank You for their example of living a life of “Yes” to You no matter the cost. We thank You for the blessing and precious gift they are to the body of Christ.

In this season of difficulty for the Morgan family, we lift up their daughters, Briana, Melanie, and Tiffany to You in prayer:

We pray, proclaim, and declare Isaiah 53:5 that by the strips of Jesus -- Briana, Melanie, and Tiffany are healed! That the blood of the Lamb, who paid the redemptive price for their souls, and through the empowering of the Holy Spirit, will work divine healings in their bodies, their emotions, their minds, and their spirits.

We pray, proclaim, and declare Isaiah 54:17 over Howard, Janet, Briana, Melanie, Tiffany, Bellamy, and Esslyn that no weapon formed against them will prosper, all the plans of the enemy will come to nothing.

We declare the word of LORD over them from Jeremiah 29:11 - "For I know the thoughts that I think toward you, says the LORD, thoughts of peace and not of evil, to give you a future and a hope. Then you will call upon Me and go and pray to Me, and I will listen to you."

We ask this in name of our precious Savior, Jesus – Amen.

Bary and I love you guys and we will continue to lift you and your family in prayer.

Love and much blessings, John & Bary Rogers”

“Nancy and I have been praying as well as a few from our Friday Night Torah Study. As I was praying, I was reminded of Nehemiah who sent to rebuild the wall and repair the breaches. He commanded the people to keep a sword in one hand and a shovel in the other. We will stand against this enemy that has tried to invade and destroy by use of medical issues, but let it be known that we are not coming down. We will fight in and through the Power of the Holy Spirit under the covering of the Blood of the Lamb and we will continue to keep the shovel in our hands as well to continue to build and restore until it is completed. As much as it is in us to do, we will not this be stopped until all the work in all the family members have been completed.”

Paul & Nancy Gunderson

“Oh, dear Lord, we come before you with the assurance that you are a great God, a merciful God, that you love every one of us.

Lord, we proclaim your love over Melanie, Briana and Tiffany, we proclaim that you love them with an everlasting love; therefore with loving-kindness you have drawn them (Jer. 31:3).

Lord, we thank you, for your blood, the blood you shared at the cross, this blood set us free from our diseases and our bondages, we proclaim this blood over Briana, Melanie and Tiffany, and we ask you Lord that by your blood you clean them from every sickness, we ask you Lord, that you break every bondage of infirmity.

Lord, at the cross you disarmed every principality and power and you triumph over them, so they have no power over Tiffany, Briana, and Melanie (Col. 2:15).

Worship is an important key.”

“I don't know exactly why, but this week God has continually reminded me of things that happened with Bryson when he was two.

One morning when Bryson was small, I called their house to speak to his mom. He picked up the phone and jabbered something I couldn't understand. I asked for his mom and he took the phone to her. He was perfectly fine.

Within two hours he was so sick he had to be rushed to the doctor. He was vomiting every couple minutes with nothing at all on his tummy. He couldn't hold his head up. He couldn't keep his eyes open or stay awake. This little man has never been sick like this. Breanne showed up at my house with her pajamas on, I knew then it was serious. We quickly called his doctor which was an hour away. We jumped in the vehicle and headed toward his office. As we drove, I began coming against a spirit of infirmity.

Once there, the doctor said if they couldn't do something quickly, they would have to get iv's in his little arms. They began making arrangements to get him to the hospital. Hearing that news sent Breanne back to a place that caused her a great deal of anxiety. You see, she had a near fatal experience the last time she was at a hospital. I could see the look of panic on her face at the thought that she would have to revisit that trauma. I locked eyes with her and said, "it's going to be fine; we are going home from here."

I continued to pray. I prayed for the vomiting to stop. For the fever to go down. Each time a nurse came in she said, "hospital" and I said, "he is healed."

I began to walk the floor and pray in the spirit. After a few minutes I felt the spirit of infirmity leave. I don't know how to explain it, I just felt it leave. The vomiting stopped. The fever began to drop, and Bryson became alert. After a few more moments there was no longer a need for the hospital. We left his office and headed back home.

Bryson slept all the way home. He had not spoken a word all day. When he woke up, he looked at me and said some gibberish that only his mom could understand. My heart lept. Then he asked for a popsicle. A few moments later, he drank a sprite. Finally, he asked for some bites. Breanne said, "Mom, you can't feed him." I responded, "Bre, when Jesus laid hands on people and they were healed, He always fed them." Bryson ate. He got up and played and I was amazed.

Amazed at our covenant with God. Amazed that this little boy who was so sick they wanted to put him in the hospital, was now playing with his Nana. I wept later that night thinking about God and His faithfulness.

Never doubt it, when the enemy comes in - and he will come - if you stand in faith - our God will lift up a standard against him. It takes us declaring over our kids and grandkids, "not here, you have no place here, they belong to God and me, hands off!"

God is faithful to uphold His word when we are faithful to declare AND believe it.

Our God is faithful!!! He will not fail us if we stand on His word and refuse to back off. We are in a season in God where mighty and powerful miracles are taking place. The power of God is evident. We can stand on His word knowing it will come to pass.

It's time we rise up and be bold in our faith. It's time to declare what God has said about the situation and stand firm on that truth. God is right here - waiting on us to speak His word with authority. He will back you up. The only time God can't work on your behalf is when you are speaking the opposite of what His word says. If you say what He says, you will have what He says.

I encourage you today, to say what He says. Stand bold in faith, command, declare and be persistent. Stand until you see it - refuse to back off. It's time for a boldness in God and in His word. It's time to walk in the fulness of His covenant. It's time to be who we are - people of authority with all the power of heaven backing us. It's time we back the enemy off what is ours instead of letting him back us off what really belongs to us.

Take the word of God and take your territory back. Draw a line in the sand refuse to back up. You can rest assured - all the power of heaven is backing you - you will win. You have already have the victory through Jesus.

As for me, I was never more thankful for my covenant with God than I was when I watched that little boy be healed, right before my eyes. I praise God for His faithfulness to me and my household."

Isaiah 46:3-4

3"Listen to Me, O house of Jacob,
And all the remnant of the house of Israel,
You who have been borne by Me from birth
And have been carried from the womb;
4 Even to your old age I will be the same,
And even to your graying years I will bear you!
I have done it, and I will carry you;
And I will bear you and I will deliver you."

“Shalom Howie and Janet,

We're not able to be online with you but received this scripture from Luke 3:4-6 for the girls to humbly search their soul for any deception they may have received.

"Listen for you will hear a thunderous voice in the lonely wilderness telling you to wake up and get your heart ready for the coming of the Lord.

- *Every twisted thing in your life must be made straight.
- *Every dark way must be brought to the light.
- * Wrongs righted.
- *Injustices removed.
- *Every heart of pride will be humbled low before Him.
- *Every deception will be exposed and replaced by the truth so that you will be ready to see the Life of God."

(The Passion translation)

As we get older we can stumble and yield to sin unknowingly, and it is then that we must examine our soulish ways and repent so that the enemy with the spirit of infirmity has no right to us.

With love and hope for astonishing healings for each one of these beautiful daughters.”

History Belongs to the Intercessors
by Walter Wink

“Intercessory prayer is spiritual defiance of what is in the way of what God has promised. Intercession visualizes an alternative future to the one apparently fated by the momentum of current forces. Prayer infuses the air of a time yet to be into the suffocating atmosphere of the present. History belongs to the intercessors who believe the future into being. Even a small number of people, firmly committed to the new inevitability on which they have fixed their imaginations, can decisively affect the shape the future takes. These shapers of the future are the intercessors, who call out of the future the longed - for new present. In the New Testament, the name and texture and aura of that future is God's domination - free order, the reign of God. No doubt our intercessions sometimes change us as we open ourselves to new possibilities we had not guessed. No doubt our prayers to God reflect back upon us as a divine command to become the answer to our prayer. But if we are to take the biblical understanding seriously, intercession is more than that. It changes the world and it changes what is possible. It creates an island of relative freedom in a world gripped by unholy necessity. A new force appears that hitherto was only potential. The entire configuration changes as the result of the change of a single part. A space opens in the praying person, permitting God to act without violating human freedom. All of Jesus' teachings on prayer feature imperatives. (Ex. Lk 11:9 "Ask . . . search . . . knock.") In prayer we are ordering God to bring the Kingdom near. It will not do to implore. We have been commanded to command. We are required by God to haggle with God for the sake of the sick, the obsessed, the weak, and to conform our lives to our intercessions. This is a God who invents history in interaction with those "who hunger and thirst to see right prevail" (Mat. 5:6, REB). How different this is from the static god of Greek philosophy that all these years has lulled so many into adoration without intercession! When we pray we are not sending a letter to a celestial White House, where it is sorted among piles of others. We are engaged, rather, in an act of co - creation, in which one little sector of the universe rises up and becomes translucent, incandescent, a vibratory centre of power that radiates the power of the universe. History belongs to the intercessors, who believe the future into being. If this is so, then intercession, far from being an escape from action, is a means of focusing for action and of creating action. By means of our intercessions we veritably cast fire upon the earth and trumpet the future into being.”

“Dear Howard and Janet,

I finished painting this as I was praying and fasting this morning for you and your children. It is called RELEASE. Then I got the proclamation THE LORD’S TIME OF RELEASE HAS ARRIVED. Deut 15.2

As I looked up more release scriptures, I saw the significance of the birds, apart from the obvious Noah connection!

LEV. 14:53

One bird was sacrificed over a clay pot of fresh water then the live bird plus cedar stick, hyssop branch and scarlet yarn, were dipped in the blood and fresh water. The live bird was then RELEASED in the open field so that through this process the house was ceremonially cleansed and skin diseases purified.

It is a confirmation and reminder of Yeshua's sacrifice and it is the time for the RELEASING of your family from all sickness.

We cry out for the RELEASE of the Morgan family from sickness and disease! Your debts HAVE BEEN PAID FOR by the shed blood of Messiah so THE TIME OF RELEASE HAS ARRIVED!

WE proclaim blessings for the whole family as in Zach8:12

'For I am planting seeds of PEACE AND PROSPERITY among you. The grapevines will be heavy with fruit. The earth will produce its crops, and the heavens will RELEASE the dew. Once more I will cause the remnant in Judah and Israel to inherit these blessings. Among the other nations, Judah and Israel became symbols of a cursed nation. But NOW I WILL RESCUE YOU AND MAKE YOU BOTH A SYMBOL AND A SOURCE OF BLESSING. So don't be afraid. Be strong, and get on with rebuilding the Temple!'

With love and shalom blessings dear Howard and Janet,"

"Joining you in prayer for all of your daughters' healings.

Dear Jesus,

Today we hold these three precious daughters before you. You entrusted them to Howard and Janet and they have been faithful to raise these girls in the nurture and admonition of the Lord. Sickness has illegally invaded their bodies, and we command all sickness and disease of every type to cease and desist, in the Mighty Name of Jesus Christ. Jesus purchased their healing on that cross of Calvary. By His stripes they WERE healed. Lord, You said that healing is the children's bread. These precious daughters, now precious women, are children of Almighty God and therefore heirs of the healing that Jesus purchased. We download that healing right now into each one of them. Jesus, You sent Your word and healed diseases. We now send Your Word into these women- we command healing to begin immediately; at this very hour. Jesus, we ask that Your Presence would so flood these bodies that sickness and infirmities of every type have to flee. We ask for divine health to be their portion from this day forward. We ask for Your wisdom to enter their minds to maintain this health. Now we praise You and thank You and glorify Your Name, which is above every other name, in heaven and earth. Bring Your glory, Lord! Bring Your glory! Rest upon this entire family and receive all the praise and glory for what You are doing right now, that these healings may be a testimony to many throughout the world of the power and love of Jesus Christ, THE Messiah, and that many souls would be saved, healed and delivered by hearing of these testimonies. We rejoice in Your love and care for us!! In Jesus' Name we pray and receive the answers. Amen!"

“As I was praying for your girls HE reminded me that miracle healing was his biggest draw. Large crowds we attracted to Him doing miracles. He used that same demonstration of HIS love in all the great revivals, especially since Azusa Street. The Father’s love for your kids and grands was not the cause of their health issues but HE is drawing them to HIMself none the less. “Healing is the children’s bread.

Please reciprocate prayers for my daughter Rachel who from we recived reports lately has fallen further from God and is considered evil by some who once were close to her. We’ve had no contact for over 6 years now, our grands are growing up fast without us in their lives and this brings tears daily.”

“Hi Howard and Janet. We will be standing with you both today in prayer and fasting. The scripture the Lord has given me is Acts 16:31-34 that not only will your household be saved but healed also. Praying that God will speak to you both and that through all the prayers etc. that you will see His will and purpose and we know that you heard Him in the past and He will speak again for the future. Praying for open hearts and ears to all that will be said.”

“Janet,

We’re praying here in LA.

I have put to words that which The Ruach has given me. It will Follow this text.

As always, we’re WITH YOU!...

O L-RD, May my prayer come to You at a time of favor. May you answer me with Your Saving Truth.

Our Father, our King, we bless you. May Your Name be blessed forever.

You are the First and the Last. There is no god besides You nor is there any that can be your equal.

You existed first and have always ruled as the Supreme King.

In Your Wisdom, You created all things in six days by the power of your Divine Words and afterwards, created the Holy Shabbat as a memorial for all. You are Holy and Righteous, while we are a people of unclean lips, and yet, You have extended Grace and Mercy to us, going all the way back to the Garden of Eden. We are a vapor; You are forever.

In Your Omniscience, You told our father Abraham that his descendants would be slaves in a land that wasn’t theirs for 400 hundred years and You promised him that You would personally deliver them. You delivered the Nation of Israel with Your powerful arm and with judgments, and gave freedom to more than 3 million of your people. You desire freedom for all who love You.

You gave Israel Your Holy Torah as Divine Instruction on how to be Your Holy people. You gave us prophets with the hope that we would return to You and Your Ways. You gave us Psalms through King David to encourage us in times of despair.

From King David, You gave us Yeshua, the promised Messiah of Israel, the Light of the World, and the Lord of Shabbat. You granted all authority unto Him so that whosoever would believe on Him and the work He performed at the Cross would have life everlasting.

By Your Great Love, O L-RD, You created Howie and Janet Morgan.

They chose You.

...and they chose Yeshua.

By the shed Blood of the Messiah Yeshua, You forgave their transgressions, and through the Power of the Ruach HaKodesh, they were transformed into Your consecrated and dedicated servants who have performed the daily commitment of bringing Your Truth, Your Light, and Your Kingdom into this world.

O Holy One of Israel, their work for You has uprooted the centuries-old plans of the Enemy of Your Kingdom. His despicable response was to unleash a fierce spirit of infirmity upon Howie and Janet’s three children, three precious gems in Your Glorious Crown.

Almighty One, You have shown us throughout our history that You are the Great Deliverer and there is none that can deliver from Your Hand. We ask straightaway, Our King, that You would extend Your Deliverance and Healing to Tiffany, Melanie, and Briana, the daughters of Howie and Janet Morgan. May the despicable spirit of infirmity be permanently removed from them and may it never manifest itself in the lives of their loved ones. May You be glorified by Your act of deliverance and healing for Tiffany, Melanie, and Briana. May it be Your good pleasure to answer this prayer with “Yes” and “Amen.”

Blessed are You, O L-RD, who heals all people in remarkable ways.

May Your blessing of Peace and Prosperity be upon Jerusalem, the city that we count as the greatest of our joys. May peace be within her walls and prosperity within her palaces.

Father, I offer this prayer to You in the merit and virtues of our Messiah Yeshua, May His Name be blessed forever.

Amen and amen.”

“Hi Janet and Howard

Been with you in spirit most of the day. I met with a group of 3 this morning to pray, to seek strategy for your precious family.

There was a strong sense from each of us that there is a new wind blowing, a wind of change, a wind of resurrection life in all its fullness. Divine health will breathe over each of you. That each will return to the original heavenly state that is written on your scrolls that Yahweh intended for each of you. Let the refreshing wind blow over you, stay in the seat of rest as He ministers over you.”

“Dearest, POPPA, thank you for who YOU are, thank you for all that YOU have done for us, thank you for YOUR love, peace, mercy and grace. YOU are the King of kings, YOU are all seeing. YOU are our teacher, guide, and friend. YOU

have given us more than we can ever repay. YOU keep YOUR promises. YOU promised that YOU would take care of our children. YOU promised Howard and Janet a life of challenges (the sand blowing in their faces), but I do not believe that YOU meant for their children to have the same. We love Howard and Janet. But YOU love them more. So we stand with the Morgans in asking that you break off the spirit of infirmity over their children. Set Mel, Brianna and Tiff free. YOU are capable of all things, so we pray that you will free these children. Free them so they can work in their full potential for YOU. Free them so they will have amazing testimonies to share with the world. Free them so they can recognize how they have held themselves from YOU. Free them so they feel/know YOUR love for them. Free them because YOU love them more than any of us can understand or comprehend. Free them because the enemy has no place in their lives.

YOU know the end before the beginning, I do pray that YOU will free the girls, but I also know that YOU know what we do not. So while I pray that they are freed, I also ask that YOU help them understand, help them discern from YOU what they need to learn from this. I also ask that YOU give them the supernatural peace to help them all through this. YOUR will be done, POPPA.

Amen”

“Father, you are the everlasting God, the One, true, and faithful person in all of the universe. You alone are reliable. You alone are faithful to Your words to fulfill each one. We have great confidence in you and in our belief that you hear us when we call on you. Glory and honor are yours alone, we take none for ourselves. You are so good to us. Your loving kindness is without end. You are our joy and our peace. Our righteousness is your life that you placed inside us. You have given us all that we need, and we thank you for being sufficient for all of our needs. Thank you for loving us, for having a plan for each one of our lives. Ephesians 1:11 confirms to us that you "work out everything according to the purpose of your will." EVERYTHING! We know also that your will is that none should perish. You came Lord Yeshua in the power of Lord Holy Spirit according to the command of Lord God Almighty to save the lost, rescue the perishing, heal the sick and dying, bring good news, free captives from their captivity, release prisoners from darkness, proclaim the year of the Lord’s favor, bring vengeance against the enemies of your children, comfort those in mourning, and bring gladness to our faces.

Lord, you alone know our hearts. Yet, you love us despite our weaknesses and our failings. Your love endures all things. Your mercy triumphs over judgment.

I take time now from my busy day to bring my friends before You. I know that others have been doing this all day today. While I have been mindful of them during the day, I pause now to call out to You for them. I ask that Psalm 20 would be granted to them today for every prayer that has been offered to You on their behalf. I join all the others who together raise Your standard against the enemy who has ravished Howard and Janet’s children’s lives. I say enough is enough. Our hope is in You, Lord, and Your word says that those who hope in You will not be disappointed. You asked, Lord, “Can plunder be taken from warriors, or captives rescued from the fierce?” And You then declared Your own answer, YES!, captives will be taken from warriors and plunder retrieved from the fierce. I will contend with those who contend with you and your children will I save.” Father, act now, act today. Rescue Melanie, Briana, and Tiffany from the fierce warriors who have attacked them and imprisoned them in varying ways....physical, emotional, spiritual. They have robbed them of their destinies and the plans You Yourself wrote for their lives. May this year, 2019 on our calendar, be the year of Your favor in their lives.

Father, if there is anything in Howard’s life, or Janet’s life, or the lives of the three girls that stands in Your way, preventing Your help, I ask You to forgive them whatever that is. I choose to forgive them, Lord, and I ask that Your mercy would triumph over judgment for each of them.

We don't come before your throne with our petition today because any of us deserve Your action on our behalf. None of us deserve in and of ourselves. Howard and Janet's service to You all these years is not the basis of our request; their service is not special; it is obedience; it is the call and plan that You have had for their lives. Rather, we come before You based on the blood of Yeshua that was shed for us, which qualifies us to say, Abba, Father. We cry out to you Abba. Please help. Please free Briana, Tiffany, and Melanie from spirits of infirmity that have over taken them. Then, draw them close to Your heart and free them from any deception that has taken root in their hearts. They are Yours, Father. Rescue them, please.

Thank you for hearing and responding to my petition today. May these words that I have typed from the meditations of my heart be pleasing in Your sight, O Lord, my Rock and Redeemer. Amen."
